SD DOE Common Core Three Year Implementation Plan

2012-2013 Action Item	2013-2014 Action Item	2014-2015 Action Item
Assessment		

Assessment

2012-2013 Action Item

Formative Assessment :
- On demand trainings SDAP
- Added constructed response, matching, & fill in the blank feature to SDAP

- Write higher order items, gap items, align NAEP items to CC & put into SDAP

Benchmark Assessment:
- Pilot in 2012-2013 with 20 districts

Assessment Readiness
- SBAC Technology Readiness for Online Assessment
- Building capacity for writing CC assessment items for classroom assessment
- Embedded CC field test items on DSTEP (40 total, 10 per form)

Summative Assessment:
- SBAC Pilot Online Assessment (Optional to administer)
- Prep for DSTEP online: Pearson Technology Supplemental Survey
- Note the DSTEP will be paper pencil

ELL Assessment

1 % Assessment
- Developing the new alternative assessment

End of Course Assessment
- State will develop a blueprint for CC Algebra I and Integrated Math I
- DOE will approve assessments aligned to Common Core or state standards

2013-2014 Action Item

Formative Assessment :
- On demand trainings SDAP
- Add additional items including constructed response items to the SDAP if funding is available
- Add additional prompts to WriteToLearn tool

Benchmark Assessment:
- Voluntary benchmark assessment available to all districts
- If funding is available: Add additional CC multiple choice and technology enhanced questions to benchmark assessment

Assessment Readiness
- SBAC Technology Readiness for Online Assessment
- Embedded CC field test items on DSTEP (40 total, 10 per form)

Summative Assessment:
- SBAC Pilot Online Assessment (Optional to administer)
- DSTEP test in online in Spring 2014

ELL Assessment

1 % Assessment
- Developing the new alternative assessment

- Pilot testing of assessment items

End of Course Assessment
- State led workgroups will build assessments aligned to Common Core: Alg. I and Integrated Math I
- DOE will approve assessments aligned to Common Core or state standards

2014-2015 Action Item

Formative Assessment :
- On demand trainings SDAP
- Add additional items including constructed response questions to the SDAP if funding is available

Benchmark Assessment:
- Voluntary benchmark assessment available to all districts

Assessment Readiness
- SBAC Technology Readiness

Summative Assessment:
- Common Core Online Assessment

ELL Assessment
- WIDA assessment (2016 new assessment)

1 % Assessment
- New 1% assessment

End of Course Assessment
- State led workgroups will build assessments aligned to Common Core: Geometry and Integrated Math II
- State and district assessment will align to Common Core standards
